Dear Child Care Provider,

This letter is in regards to the 10/28/14 compliance check of your Level C-1, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.4 No more children are in care than the rules for the specific category will allow. **Report received that you have been over numbers for infants which you denied. You were within numbers when we were at your home. You were advised to be very careful about your numbers.**

☐ 110.5(1) Conditions in the home are safe, sanitary, and free of hazards. **Home was a little cluttered. You stated that you were busy cleaning closets and had not yet put things away.**

☐ 110.5(1)f Combustible materials are kept away from furnaces, stoves, gas dryers, or water heaters. **I did not check your furnace but will on follow up compliance check.**

☐ 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept. **No documentation.**

☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor. **You need a bigger fire extinguisher. The one you have is not appropriate.**

☐ 110.5(1)n Each smoke detector is tested monthly, and a record is kept for inspection purposes. **No documentation.**

☐ 110.5(2)b Certificates or training verification documentation for:

☐ 110.5(2)b Within the first three months of registration:

Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

☐ 110.5(2)b During the first year of registration – 12 hours of approved training. At least six hours shall be in a group setting. Two of the twelve hours must be health and safety training. A specific training shall not be used to meet requirements more than one time every five years.

☐ 110.5(2)b During the second year of registration and each succeeding year, twelve hours of approved training. At least six hours shall be in a group setting. If the provider has documentation of completing the ChildNet, PITC, or Beyond Business Basics series, these hours may be used to fulfill two year's training requirements, not including first aid and mandatory reporter training.
